

Examination Contract Management CATS CM Foundation

You can take the CATS CM Foundation exam after the Contract Management CATS CM Foundation training or the CATS CM Foundation e-learning training. The examination is administered separately from the Foundation training.

Why this exam?

- To test your knowledge of CATS CM Foundation
- To acquire the 'CATS CM Foundation' certificate
- To be able to demonstrate on your CV that you know CATS CM as a contract management method.

Identification

You must identify yourself at the examination location with a passport, ID card or driver's license.

Work method examination

The examination is administered separately from the Foundation training.

The duration of the examination is one hour at most. The examination consists of 31 questions: 26 multiple choice and 5 open questions. This is a 'closed book' examination, which means that you are not allowed to consult the CATS CM book during the examination.

In the Netherlands the examination is administered online at the examination location. You'll take the examination on a CM Partners laptop.

You'll receive the result of your exam within two weeks. If you have passed the exam, you'll receive the 'CATS CM Foundation' certificate in digital format.

If you are located outside the Netherlands, please contact us at info@cmpartners.nl or telephone number +31 (0)852100531 for the examination possibilities.

Intended for

The exam is intended for everyone who wishes to test their knowledge of CATS CM with the examination.
